

Join us in celebrating the 13th annual Give Local campaign! This 36-hour online campaign unites donors, businesses, and local charities to provide much-needed support for our community. Celebrate the causes that matter most to you! Launched in 2013 by Connecticut Community Foundation and presenting sponsor Ion Bank Foundation, Give Local Greater Waterbury and Litchfield Hills has raised over \$17.2 million since its inception and has supported more than 300 local nonprofit organizations.

Thanks to generous sponsors—including presenting sponsor *Ion Bank Foundation*—nonprofits will earn bonus dollars for every donor they secure and will have an opportunity to vie for thousands of dollars in cash prizes! All of this adds to the fun and excitement while raising essential funds for the work of our local nonprofits.

Our giving day will be open for business beginning on Tuesday, April 29 at 7:00 a.m. and ending on Wednesday, April 30 at 7:00 p.m.!

Non-profits must register to participate by April 7, 2025. Visit givelocalccf.org/register.

Special thanks to our sponsors: Webster Bank and the Southbury Community Trust Fund
