October 28, 2026 | 8:30 - 10:30 a.m.

Ion Bank

1430 New Haven Road, Naugatuck

In partnership with Connecticut Community Foundation, Ion Bank presents a free seminar to help nonprofit organizations navigate fraud through ACH, wires, checks, and other scams affecting businesses. The presentation will cover practical prevention measures, warning signs to watch for, and risk management strategies to help your organization respond effectively should fraud occur.
