

Training opportunity

Give Local Greater Waterbury and Litchfield Hills returns on April 24-25, 2018. Now is the time to hone your fundraising skills.

- Have you ever wondered how some Give Local participants seem to raise more every year?
- Do you feel like you haven't yet cracked the code to making the most of challenges, prizes and donor communications?
- Do you want basic and useful strategies that you can implement on a shoestring budget to raise more dollars through Give Local?

This workshop is for you! Register now for training led by Connecticut Community Foundation's Tricia Poirier.
