

# Give Local Training for New Nonprofit Participants

March 31, 2026 Session

Required for all *new* nonprofit participants in Give Local 2026, this in-person training provides an overview of the program, outlines the nonprofit eligibility requirements, and introduces key tools and resources to help your organization succeed during Give Local. New organizations are required to attend **one** *Intro to Give Local* training - offered in March. Both sessions offer the same content. Participants will also learn why staying current with Foundation communications is essential for success.

We look forward to welcoming new organizations! **Approval to participate follows completion of the required Intro to Give Local training. Register below:**
