

A Deeper Dive to how Poverty Impacts Women and Girls.

Giving Circle members have opted to learn more about poverty in our state. To better understand how families have been effected by poverty over time, Emily Byrne, Executive Director of Connecticut Voices for Children, will join us to talk about the organization’s research and advocacy work, particularly surrounding housing and education.

A potluck meal will be shared. Please indicate if you can contribute an appetizer, dessert or beverage during the registration process. Alternatively, we welcome your monetary donations to defray food and venue costs.

This event is free and open to Women’s Giving Circle members, prospective members, and all others interested in this topic. Please bring a friend!

In case of inclement weather, this event will be held on Wednesday, January 15.
