Workshop participants will learn about the U.S. Census Bureau's plan to invite **every person** to respond in 2020, and how your organization can support those efforts and answer common questions from your constituents. Success of the census depends on community involvement - nonprofits can help! If you are not able to attend this workshop, **please designate someone from your organization to attend!**

Featured speakers

- Catherine Marx, Partnership Specialist, U.S. Census Bureau
- Karla Fortunato, President and CEO, Connecticut Council for Philanthropy
- Michelle Riordan-Nold, President and CEO, Connecticut Data Collaborative
- Jeff Shaw, Senior Director of Public Policy and Advocacy, Connecticut Community Nonprofit Alliance

Light refreshments will be available.
