

Community Celebration @ Make Music
Waterbury
Wednesday, June 21
5 - 8 p.m.
City Hall

Come on over to Make Music Waterbury and join us for a tasty anniversary treat!

We invite our community to dream together and enjoy a popsicle or ice cream as we celebrate 100 years of community giving.

Make Music Waterbury is a part of the international Make Music Day movement which brings free, community-wide, outdoor musical celebrations to hundreds of cities worldwide! Every year, the celebration is held on June 21, the summer solstice, in more than 800 communities around the world.

Make Music Waterbury will feature musicians of all abilities and music from any genre. Sidewalks, parks, front porches, and public spaces throughout the city will become stages for local musicians to perform and for all to enjoy. Everyone is invited to participate in this international day of music by performing, providing an outdoor space, appreciating, or volunteering. **It's all for the love of music!**

Connecticut Community Foundation is a proud sponsor of this event and is excited to celebrate with you!
