Planning During the Pandemic: Using Scenario Planning to Make Decisions in Uncertain Times

October 26 | 1:00 pm - 2:30 pm

The only certainty during the Covid-19 pandemic has been uncertainty. Learn how to use scenario planning to break down the many risks and opportunities nonprofits face today. The workshop will be led by Juliana Koo, Vice President at TDC, a national leader in strategic business planning services for nonprofit organizations. Julie will walk through the basics of scenario planning and present a case study. You will leave the workshop with a step-by-step approach that you can deploy for your organization.
