Dear Friends and Supporters of Pride in the Hills:

We hope that you are safe and sane during these unprecedented and trying times for our nation and our world.

With the uncertainty in which we find ourselves due to the coronavirus pandemic, we have made the decision to postpone Pride in the Hills from its original date of June 13 to a later one, hopefully in the late summer or early fall. We are waiting to see how things unfold over the next several weeks before picking a new date, as none of us can yet predict how long life will be disrupted. We will be in touch again as soon as a firmer plan has been made.

This is a difficult time for many of our business sponsors - if you are able to do so, we encourage you to continue to patronize our business sponsors listed at the end of this email. Your support of an online purchase, gift card or commitment for future services can make a huge difference during these trying times.

We also recognize that many of our LGBTQ+ seniors may face unique challenges during this crisis. If there are ways we can support you, we hope you will reach out to us at prideinthehills@gmail.com and let us know. We are a community and we are here for one another.

Please know how grateful we are for your support and this community. We hope to be able to celebrate with you later this year.

Sincerely,

Deb Fuller
