This month's Women's Giving Circle gathering promises to be memorable! We're excited to be joined by trusted, informed experts on the front lines of healthcare to facilitate conversations and learning opportunities focused on three vital topics impacting women's health:

REPRODUCTIVE HEALTH, MEDICAL GASLIGHTING and CARDIAC HEALTH

Special guests include:

Melissa Glaser, MS, LPC

Medical Gaslighting

Elizabeth M. Kontarines, MD

Reproductive Health

Beatriz Olson, MD, FACP

Cardiac Health

You'll be able to explore your primary topic of interest as we carefully consider how to best provide support to women and girls in our community.
