The Role of Staff-Care in Effective Leadership | June 21st | 10:00 am - 12:00 pm on ZOOM

This sessions is specifically designed for Executive Directors/CEO's

This executive session will offer an opportunity for EDs/CEOs to examine the role of staff-care within their organizations and teams, beginning with a focus on self-care and an examination of their own core values. Additionally, participants will:

- Explore the ways that staff-care supports healthy and effective teams
- Identify ways to assess how your team prioritizes self/staff-care
- Develop strategies for incorporating this important element into the culture of your organization and teams
