We invite you to explore the current landscape of philanthropy and reflect on what it means for our Women's Giving Circle.

Together with presenter Devon Dabbs of FIO Partners we'll discuss:

- How we, as a philanthropic community, can go beyond meeting immediate needs and create long-term, sustainable change that benefits future generations.
- The importance of building collaborative networks to maximize our collective impact.
- The power of women's leadership in philanthropy and how we can all play a role in shaping a more inclusive and prosperous future.

Join us Thursday, April 3 from 6pm – 8 pm in Waterbury. We'll meet at SERC (State Educational Resource Center) in the Brass Mill Commons. Complimentary refreshments will be served.

We hope you'll be able to attend and bring your thoughts and ideas to the table. **REGISTER TODAY** and let's continue to learn, grow, and make a difference together!
