

Training for Nonprofit Leaders: Give Local 101

Rescheduled to Wednesday, February 13 from 10 a.m. to 11:30 a.m.

Naugatuck Valley Community College, Founder's Hall

750 Chase Parkway, Waterbury

The seventh annual Give Local Greater Waterbury and Litchfield Hills online giving event is slated for April 23-24, and we're eager for participating nonprofits to take a look under the hood of the new and improved giving day platform, Give Gab.

During this training session, Connecticut Community Foundation will team up with staff from Give Gab to provide an overview of Give Local, explain features of the new platform and describe how organizations can benefit by participating in Give Local. Since Give Gab is new, we encourage all nonprofit organizations to send a member of their team to learn the exciting new features that promise to improve your fundraising experience!

Presenters will be available to provide individual assistance and answer questions immediately following the training.
