

Women's Giving Circle 10th Anniversary Rooted & Rising

Rooted & Rising
Women's Giving Circle - 10th Anniversary Celebration
Wednesday, October 21, 5:30-8:00 p.m.
La Bella Vista, 380 Farmwood Road, Waterbury

For generations, women have shaped our community through leadership, generosity, and a shared commitment to women and girls.

This October, join us for Rooted & Rising, a celebration honoring the long history of women's philanthropy as the Women's Giving Circle enters its 10th year. Together, members have invested more than \$300,000 across Greater Waterbury and the Litchfield Hills.

The evening will trace that legacy, from the founding of the Women's Fund to the growth of the Circle today. A moderated panel will share the current state of women and girls among us, the case for continued investment, and what it will take for more of us to thrive in the years ahead.

Whether you're a current Giving Circle member, a longtime Women's Fund supporter, or someone who wants to be part of this community, we hope you'll join us.

Registration

[Click here to purchase tickets online](#)

Prefer to register offline?

We'd love to have you join us. If you'd rather register by mail, simply send your ticket request, guest information, and payment by check.

Please include your contact information, the names of any guests attending, and indicate whether you are purchasing individual ticket(s), a table, sponsoring a ticket for someone else, or making an additional donation.

Checks should be made payable to Connecticut Community Foundation, with Rooted & Rising Tickets in the memo line, and mailed to:

Connecticut Community Foundation
43 Field Street
Waterbury, CT 06702

To ensure your reservation, please send your payment and details by October 1. Our team will follow up to confirm your registration and, if applicable, collect your table guest list.
