

Exclusively for Women's Giving Circle members and prospective members

Gear Up for Grantmaking

Tuesday, April 2

6-8 p.m.

Southbury Public Library

100 Poverty Road, Southbury

Join us for potluck refreshments while socializing and networking with current and prospective Circle members. We're excited to share updates on last year's Women's Giving Circle grantee projects, and we'll finalize the 2019 request for grant proposal process.

Bring a friend and an appetizer or dessert to share! If you would prefer to make a financial contribution to defray future food and beverage expenses, that is also an option!
