

Are you interested in learning about issues affecting women and girls in Greater Waterbury and the Litchfield Hills, pooling your resources with others and making informed grants to improve lives?

Join us at any of three small gatherings hosted in July and August by women in our region to mingle, meet other potential members and share ideas about getting involved in the Women's Giving Circle at Connecticut Community Foundation.

On July 13 from 5:30 to 7 p.m., we'll gather at the home of Jodi Wasserstein at 400 South Street in Middlebury.

The Women's Giving Circle is just getting off the ground and promises to be an energizing way to meet like-minded people and together make thoughtful philanthropic decisions to advance women and girls in the region. Come to the gathering on July 13 to learn all about it.

Appetizers will served. Please bring your friends!
