

Women's Giving Circle

Because you care about making lives better for women and girls in Greater Waterbury and the Litchfield Hills...

Let's begin a new round of networking, learning and giving!

Wednesday, October 16

6-8:30 p.m.

Woodward Chapel Undercroft at Taft School

25 The Green, Watertown

Learn about three pressing issues impacting women and girls across Greater Waterbury and the Litchfield Hills. Hear from expert speakers:

- Addiction - John Simoncelli, Executive Director, Greenwoods Counseling Referrals
- Poverty - Kristen Jacoby, President, United Way of Greater Waterbury
- Human Trafficking - Sarah Spear, Development Officer, Love146

Bring a friend and an appetizer or dessert to share! If you would prefer to make a financial contribution to defray future food and beverage expenses, that would be most welcome. This event is open to all Women's Giving Circle members and prospective members.
