¹ NOTES: Connecticut Community Foundation administers more than 160 different scholarship funds. While most of these funds support awards for residents of the Foundation's 21-town service area of Greater Waterbury & the Litchfield Hills, some funds are statewide (or even national) in scope. The Foundation also provides scholarship funds to CT State Community College (Naugatuck Valley), which will distribute awards to its students throughout the year, as well as several awards through CT Junior Republic for its graduates (*not shown here*). Each recipient is only listed here once, even if they received more than one scholarship award.
