* NOTES: Connecticut Community Foundation administers more than 165 different scholarship funds. While most of these funds support awards for residents of the Foundation's 21-town service area of Greater Waterbury & the Litchfield Hills, some of the funds are statewide (or even national) in scope. Each recipient is listed only once, even if they are receiving awards from more than one scholarship fund/program. Additionally, the Foundation provides scholarship funds to CT State Community College - Naugatuck Valley, which will be used to support dozens of its students throughout the upcoming year, as well as several awards made through Connecticut Junior Republic to its graduates this year (not listed here).
